

Stick Blender Ciclone

- Highly effective patented cooling system
- Sturdy and light weight fiberglass ABS body
- Ergonomic handle
- Variable speed control
- Safety device to preventing the machine being switched on by mistake
- Trigger switch for continuous blending
- IPX3 protection
- Quick coupling device
- Cutlery steel knives
- Good entry level blender

Technical Data

Model	Ciclone 36VV	Shaft 350mm
Power	360watt, 0.50HP	
Power source	230V/50Hz	
Knives revolutions	1,000+12,000 rpm	
A	100mm	94mm
B	182mm	
C	348mm	320mm

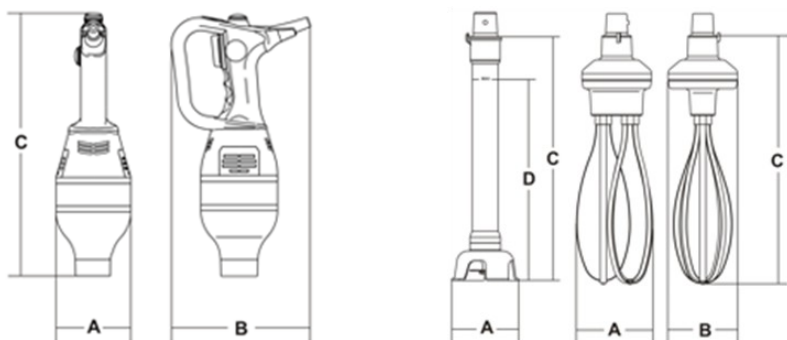

Stick Blender Vortex

- Highly effective patented cooling system
- Sturdy and light weight fiberglass ABS body
- Ergonomic handle
- Rubber buffer between motor and shaft
- High efficiency motors
- Drill like speed control
- Safety device to preventing the machine being switched on by mistake
- Trigger switch for continuous blending
- IPX3 protection for the motor, protecting it from splashes and extending the life of the electrical parts
- The shaft has a quick, bayonet coupling device
- Shaft available in two lengths, 350mm and 450mm
- Shafts can be removed for easy cleaning and the inner shaft can be easily cleaned, promoting a longer life
- Completely stainless steel shaft and bell
- Optional accessories: dishwasher safe whisk
